Dear Madam/Sir,

Re: Request for selection of Primary school teachers to attend Digital Literacy trainings

The Government of Rwanda signed a credit financing agreement with World Bank, to support Rwanda's Quality Basic Education for the Human Capital Development project. The overall objective of the project is to improve teacher competency, student retention and learning in basic education in Rwanda. One of its components is "Enhancing teacher effectiveness for improved student learning". Under this component there is a subcomponent "Improve teachers' English language and digital literacy". The objective of this subcomponent is to improve teachers' English language proficiency and digital literacy through e-learning.

In this regard, the Rwanda Basic Education Board (REB) is planning to train and equip primary school teachers with digital literacy skills. This not only empowers teachers to use technology effectively in the classroom but also enables teachers to proficiently use the Microsoft products at their disposal.

The activity of training the teachers will be done in three phases whereby 2,304 teachers will be trained in phase I, 2,303 teachers in phase II and 2,303 in phase III. Each phase will be scheduled for 3 days for the face-to-face sessions and 6 days for the online sessions. Both online and face-to-face training sessions will be conducted during the weekend. Attached is the timetable of the training, the selection criteria for the trainees to follow in all the three phases, schools where selection of will be given priority and the schools that will host the Primary teachers during training. In line with Covid19 preventive measures every teacher is required to take a rapid test before coming for the face to face training and the amount will be reimbursed after the training

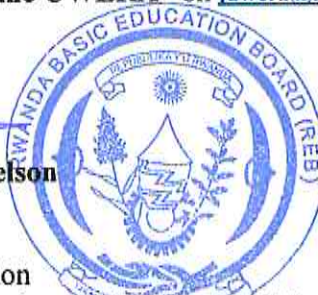

For more information please contact: **Mr. Ngendahayo Theodore**, the ECE and Primary Schools Digital Content and Development Engineer via email: tngendahayo@reb.rw or Cell Phone: 0783187462 or **Ms. Jacqueline UWERA** on juwera@reb.rw , or 0785 277 272.

Yours Sincerely,

Dr. MBARUSHIMANA Nelson
Director General
