RE: Changes in the school calendar for Term 1 closure and Term 2 resumption

Dear Madam/Sir,

The Rwanda Quality Improvement Programme (“RwandaEQUIP”) is a government initiative geared to deliver improvements in learning outcomes in 100 public and government-subsidized primary schools effective January 2022.

In order to establish the values of the program performance indicators in learning, teaching and school management practices, Rwanda Basic Education Board in collaboration with RwandaEQUIP will be conducting a comprehensive, 10-days residential induction training to equip every teacher and school leader with the skills, knowledge, and mindset they need to succeed. This training will be in two waves and are scheduled to be carried out in your school premises. **Wave I: December 19th to 31st, 2021, Wave II: January 2nd to 14th, 2022.**

Consequently, in order to facilitate seamless delivery of the training without jeopardizing student learning, Groupe Scolaire Officiel de Butare (GSO Butare)’s school calendar is subject to the following adjustments in which Term 1 will end a week earlier than initially published by the Ministry of Education and resume 5 days late as indicated below:

End of Term I: December, 18th 2021

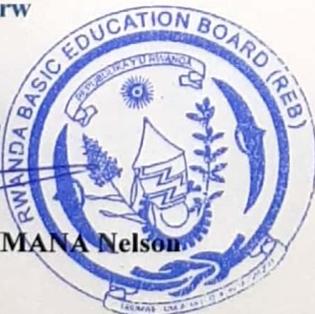

Beginning of Term II: January, 15th 2022

We thank you for your continued support and cooperation

Should you need more details about the workshop, please contact **Mr. Murasira Gerard** on **0788625992** or **gmurasira@reb.rw**
