- District Executive Administrator (All)

Through: Permanent Secretary/MINALOC

Dear Madam/Sir,

Re: Request to select Primary school teachers to attend Digital Literacy and 21st Century skills training

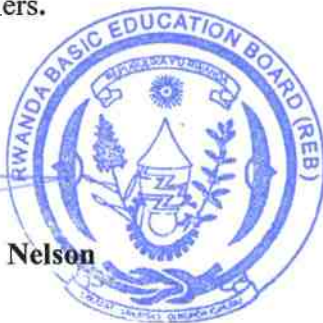

Rwanda Basic Education Board (REB) in collaboration with Digital Skills Foundation Project, is planning to train primary school teachers on “Digital Literacy and 21st Century skills” as a pilot phase. A blended mode will be used for the training. During this pilot, it is expected that 3200 teachers will be trained and equipped with digital literacy skills to help them integrating ICT in a classroom. By the end of the training, trained teachers will be certified with Digital Skills Foundation.

Therefore, I would like to request your support on selecting primary school’s teachers from the identified schools to participate to the training. Respective schools will facilitate the selected teachers with laptops to be used during the training. The training is scheduled to start from **13th September 2022 to 31st October 2022** in different groups and different phases.

For more clarifications, please contact Mr. NGENDAHAYO Theodore, the ECE and Primary Schools Digital Content and Development Engineer via email: ngendahayo@reb.rw or cell phone: **0783187462**

Attached is the training schedule, the list of schools to be trained and the number of teachers required per school and the list of trainers.

Yours Sincerely,

Dr. MBARUSHIMANA Nelson
Director General
