Ref N°636/NESA/2022

To: The Mayor of the District, (All)
The District Executive Administrator, (All)

Dear Madam/Sir,

Re: Invitation of School Headteachers and One teacher per school to participate in a Training at District level on the Comprehensive Assessment Management Information System (CAMIS)

Reference is made to the letter N°636/NESA/2022 of 17/11/2022 inviting District Director of Education (DDE), District Education Officers (DEOs) and Sector Education Inspectors/Officers (SEIs/SEOs) to attend the training of trainers on the Comprehensive Assessment Management Information System (CAMIS) scheduled from 28th to 29th November 2022 where this training of trainers will be followed by the training at District level of all school headteachers conducting comprehensive assessment and one teacher with IT skills per school who in return will train teachers in their respective schools. This training at District level will be conducted from **1st to 2nd December 2022** in selected schools with Smart classrooms while the training at school level is scheduled from **4th to 5th December 2022** in all schools conducting comprehensive assessment.

The Comprehensive Assessment Management Information System (CAMIS) which was developed and piloted by NESA and its partners; Educate!, USAID Tunoze Gusoma, IPA and BLF with an aim to collect and use comprehensive assessment data in order to improve teaching and learning. Thus during the workshop participants will be trained on how to support teachers on how to access and use the CAMIS for uploading marks, viewing marks, exploring reports, taking decisions on remedial activities to support struggling learners.

It is with this background that I would like to request you to allow the invited school headteachers and teachers to attend the abovementioned CA-MIS training at districts level from **1st to 2nd December 2022** and request the Headteachers and teachers with IT skills to facilitate trainings in their respective

schools from 4th to 5th December 2022. Attached is the list indicating training venues and number of expected trainees and their respective sectors.

Note that NESA, IPA and BLF will cater for expenses related to transportation, lunch and communication. Participants who have computers and internet shall bring them in order to prevent any issue linked to internet connectivity. Each participant is requested to bring signed mission authorization.

Sincerely,

Dr. Bernard Bahati

Director General
